Subject: Cancel Friday meeting re: SDB Transition Topics?

Darcy, Sarah and I met today to discuss her thoughts on SDB topics for transition and what to do to prepare me. **I think there's no need for a follow-up convo among the three of us to discuss these items Friday, so I plan on cancelling our 1/2 hour meeting this Friday** unless you want to meet (although it was at my request).

We covered the following. For Dewey she'll invite me to meetings going forward. The other topics don't call for any imminent preparation; we'll just take these up as they arise.

DW:

1. Tribal DW/WW/SW work. SB will lead.
2. Denver Water Var.
3. Afton

UIC

1. DB appeal
1. ASR stakeholder discussions
1. Marlin Well.

Bert Garcia
Deputy Division Director
Water Division
U.S. EPA Region 8
